## DUAL SHEER SHADES

The Portfolio Collection's Dual Sheer Shades include beautiful textures and trending colors in dual sheer shade materials. Find the perfect light solution for every kind of decor.

Dual Sheer Shades offer the ultimate in privacy and light control, with horizontal fabric bands that can be opened or closed to your preference. Align the fabric bands in the open position for light and view-through, or close the bands for privacy and shade. Fully raise the shade to allow full light and enjoy the view.

Shades are available in wide widths with fabrics up to 108" or 110" wide. Find the perfect band for your view-through preferences with band heights ranging from 3" – 4¾".

Shades come standard with clutch control. Choose cordless control or our unbeatable wand and remote control motorization options for cord-free lift. All dual sheer shades come standard with a 3" cassette that is available with a rounded or square profile. Add a fabric wrapped bottom bar for the perfect finishing touch.

Enjoy peace of mind with our Limited Lifetime Warranty, covering all aspects of workmanship and quality in your shades.

## SHADE DETAILS

### CASSETTE OPTIONS

Dual sheer shades come standard with either a rounded cassette with fabric insert or metal square cassette.

Cassette price is included in the price of the shade.

Rounded Cassette with Fabric Insert

Metal Square Cassette

### BOTTOM BAR

All control types except cordless will have a fabric wrapped bottom bar to match the shade fabric. Cordless shades will include a metal bottom bar that is matched the shade's component color.

Bottom bars come in small or large sizes. Some fabrics require a large bottom bar as noted in the Materials Reference table.

Fabric Wrapped Bottom Bar

### PATTERN MATCHING AND SIDE BY SIDE SHADES

Fabric band matching is available for shades ordered in the same fabric that are the exact same length.

*When ordering, be sure to note that shades are side by side.*

Please note, remakes for side by side shades cannot be promised with all bands aligned, unless all side by side shades are ordered on the same remake. In the case of ordering mistakes for side by side shades, we can offer a 20% "Oops Discount" for all shades on the order that require pattern matching.

## REMOTE CONTROL OPERATION

### • Single and multi-channel remotes

Multi-channel remotes have 15 channels. Each channel can operate 20 shades.

### • Single- and multi-channel wireless wall switches

Multi-channel wall switches have 15 channels. Each channel can operate 20 shades.

### • Pro Hub

The Pro Hub provides automated control capabilities for remote control shades. Operate shades through the Connector+ app on smart phones or through Amazon Alexa, Control4, Google Home, IFTTT, RTI, Samsung Smart Things, and Siri Short Cuts.

Hubs communicate to shades through your Internet connection and can be paired wirelessly through a 2.4 GHz wifi signal or connected directly to the router with an Ethernet cable for all speeds or Fiber Optic Internet.

Pro Hubs have a range of 100'. For homes with shades on multiple floors, we suggest ordering 1 hub per floor.

Hubs are shipped with a 48" Ethernet cable and 40" power cable.

# DUAL SHEER SHADE WARRANTY

## LIMITED LIFETIME WARRANTY

This product is warrantied against defects in materials and workmanship, provided that:

1. The product was installed according to the product instructions.
2. Manufacturer recommendations were followed regarding limitations and specifications of the product.

The manufacturer reserves the right to determine if your shade warrants a repair or partial replacement of any parts. If necessary, we will replace your shade with a new shade of equal or superior value. This shall be your sole remedy under this warranty.

This Limited Lifetime Warranty excludes all motors, controls and accessories that are warrantied for only a period of five years from the date of purchase. Failure to follow the proper installation, charging and use instructions will invalidate the warranty for motors, remotes, wands and hubs.

This Limited Lifetime Warranty applies only to the original retail purchaser with proof of purchase in a residential application.

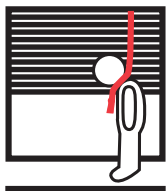

This Limited Lifetime Warranty does not cover the removal or installation of original or replacement shades. This Limited Lifetime Warranty does not cover damage or defects caused by, or resulting from improper maintenance, neglect or improper use, wear and tear, abuse, neglect, accidents, alteration, commercial use, installation, removal or reinstallation, or exposure to excessive moisture.

## YOUR RIGHTS UNDER STATE LAW

These warranties give you specific legal rights. You may also have other rights which may vary from State to State. In no event shall the manufacturer be liable for incidental or consequential damages or for any other direct or indirect damage, loss, cost, expense or fee. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. These warranties are exclusive and in lieu of all other obligations, liabilities, disclaimers, or warranties.
