CHARACTERISTICS OF FAUX WOOD BLINDS

Faux wood blinds are an excellent and economical alternative to wood blinds for many applications and offer a long lasting performance. A durable engineered polymer material is used for all colors with the exception of the darker colors in Premium Grain II. These Premium Grain darker colors; Cherry, Teak, Espresso, Maple, Pecan, Oak, Chestnut, Mahogany and Natural are made of acrylic styrene acrylonitrile (ASA).

Faux wood blinds are not intended for installation near heat sources such as radiators, heat registers, and space heaters which can potentially compromise the integrity of the faux wood material. Airflow through the blind is also very important. Keeping slats closed for long periods of time and/or using additional window treatments in front of or behind blinds can significantly increase the temperature the blinds are exposed to. These high temperatures (above 140°F / 60°C) may cause the slats to warp or twist.

LIMITED PRODUCT WARRANTY

Blind X-Press ("we or Blind X-Press") warrant to its direct retailer customer that our finished blinds will be free from defects in materials and workmanship for a period of 10 years from the date of purchase (or such shorter period as is provided below), provided such products were properly installed and maintained as per our installation instructions and not modified in any way. We will repair or replace, at our option, a defective product after it is returned to Blind X-Press. Such repair or replacement shall be the customer's sole remedy.

Natural materials, especially wood, can have a tendency to warp when exposed to the elements. This is considered normal wear and tear and is not covered by this warranty.

Repairs and replacements will be made with like or similar parts or products. We will do our best to match the repair or replacement with similar parts or products, but colors may vary and we cannot guarantee an exact match from previous purchases or to other non-defective existing products, even if they are in or near the same opening. If the product, part/component, or operating system has been discontinued, we will repair or replace only the defective product with the most similar alternative available at the time of repair or replacement.

WHAT IS COVERED

- This warranty covers our products for defects in materials, mechanisms, workmanship, and failure to operate for a period of 10 years from the date of original purchase (unless shorter periods are provided in the chart below)
- All internal mechanisms, components, and brackets
- Fabric delamination
- Blind X-Press will provide a return shipping label for products less than 12 months old.

Product/ Components	Period of Coverage (from date of purchase)
All operational cords, ladders and tapes	7 Years
Motorization components and accessories* (batteries not included)	5 Years
Specialty Shades	1 Year

*All motorization components must be purchased from Blind X-Press to be covered by our warranty.

WHAT IS NOT COVERED

- Any conditions caused by normal wear and tear on the product.
- Abuse, accidents, misuse, or alterations to the product.
- Exposure to the elements (e.g., sunlight, salt air, wind, water/moisture, high humidity, or corrosive materials) which may cause discoloration, fading, cracking, shrinking, stretching, or warping over time.
- Failure to follow our instructions with respect to measurement, proper installation, cleaning, operation of the product, or maintenance.
- Labor costs associated with removal and reinstallation.
- Shipments will be at the purchaser's expense for all products more than 12 months old.
- **Installation of faux wood stain colors inside of a patio or sunroom enclosure where 50% or more of the exterior walls or partitions are a glass window / surface will reduce the warranty coverage to one year.**

EXCEPT AS EXPRESSLY PROVIDED IN THIS PARAGRAPH, BLIND X-PRESS MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, NATURE OR DESCRIPTION, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF ANY PRODUCTS FOR ANY PARTICULAR PURPOSE, AND HEREBY DISCLAIMS THE SAME. In no event shall Blind X-Press be liable or responsible for INCIDENTAL OR CONSEQUENTIAL DAMAGES or for any other direct or indirect damage, loss, cost, expense or fee. Some states do not allow the exclusion of limitation of incidental or consequential damages, so this exclusion or limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State. This warranty is limited to blinds, shades, and shutters installed in residential dwellings but, again, extends only to Blind X-Press's direct retailer customer and not to the consumer purchaser.
